We're also known for being genuinely likable people, and we absolutely love what we do. We sincerely enjoy working with our team - our next doctor should too!

About Our Practice:

Central Veterinary Hospital is a family pet care experience rooted in the ideals of combining compassion with professionalism and innovation to create an environment that is as supportive of our clients as it is for our team. A pillar of the Fremont community for over sixty years, we thrive on

building positive relationships with our clients and their furry friends, and standing by them throughout the life of their pets. As we maintain a busy practice, well-established clientele, and a strong sense of our ideals, we're proud to be a privately held company, and we intend to stay that way. For more than 40 years, Fremont's Central Veterinary Hospital has received annual accreditation from the American Animal Hospital Association. We are honored to be included in the 15% of veterinary hospitals nationwide who are recognized as being AAHA accredited!
